Week 3 – God’s Grace

Hebrews 4:12-16

Read Hebrews 4:12-16 and then answer the following questions.

Introduction

If asked, many Christians would say that there’s a verse or set of verses which more than any other have had a significant impact on their lives. It may have been a verse that opened their eyes to the truth of God’s grace or gave them wisdom to make the right choice at a defining point in their lives.

In this week’s sermon Steve speaks from a set of five verses that he’s identified as his life verses for 30 plus years. These are verses that have meant a lot to him because of the confidence they’ve given him of the relationship that’s his with God. And also because of how helpful they’ve been in sharing his faith with others.

Questions for Study

1. Is there a verse or set of verses that you’d say are your life verse? If yes, what is it and why?
2. If you have a life verse, is there a way that you could use it to talk with someone about your relationship with Jesus Christ? If yes, how?
3. How does Steve use his life verses to explain the gospel to another person? Another way to answer this question is to write out the main point of each verse.
